Press Release

Air Energi and PT Satoil welcomed friends and business associates on October 5th to New Kuta Golf Club in Bali to help raise funds for the Seeds of Hope Children's Home in Denpasar. There were 34 players taking part in a men's and ladies stableford tournament, Howard Short from FMC Technologies grabbed number one slot with Lynn Kerr (Tom Kerr, Chevron) managing to walk away donning the ladies crown, other winners include:

- Tommy Satrio (Satoil) – 2nd place men
- Joanne Steele (Ronnie Steele, Satoil) – 2nd place ladies
- Dandie Nugroho (Chevron) – nearest pin men
- Patty Gill (Fernando Gill, Chevron) – nearest pin ladies
- Howard Short (FMC Technologies) – longest drive men
- Mary Ann Bernard (John Bernard, Baker Hughes) – longest drive ladies

A combined effort between Air Energi & PT Satoil, New Kuta Golf Club, Baker Hughes skins game, a whip round and many players choosing to donate their prizes saw the overall charity pot breaking the \$4,000.00 barrier by close of play, these funds will be used to kick start the 'Air Energi Satoil SOH Project' which will begin with upgrading works being carried out on the existing facilities in Bali including new showers, toilets, and repairs to leaking pipes which are denigrating the building to the point where if action isn't taken now the building may eventually become unusable.

Panti Asuhan Benih Harapan the Balinese Orphanage also known as Seeds of Hope Children's Home was founded in March 2001 by Reverend Tommy and his wife Sandra. The Orphanage is situated north-west of Denpasar. Tommy and Sandra are Christians and welcome children of all backgrounds and religions. There are currently over seventy (70) children from the age of 10 months to 21 years old are living in this home.

The project will be managed locally by Ronnie Steele, PT Satoil, we will be updating on the projects progress over the coming months – watch this space!

Comments:

Darren McLean, Business Development Manager, Air Energi Group

"I thoroughly enjoyed the day and would like to thank everybody for their donations, the Seeds of Hope orphanage is an amazing cause and I am as eager as the children are in getting the Air Satoil SOH Project kicked off. This is another milestone in our long term commitment to supporting the local communities across all locations we operate, not just Asia Pacific, so you can expect to see many more good causes benefiting over the years from Air Energi Group and our associates through similar events"

Ronnie Steele, Business Development Director, PT Satoil

"We greatly appreciate the contributions made to our named charity by all the participants at our highly successful golf day at New Kuta Golf in Bali."

Howard Short, General Manager FMC Technologies

"Congratulations to Air Energi and Satoil for organising such a wonderful event. Great company in great surroundings and the opportunity to help make a real difference to some children who have had a tough start to their lives. Had a lot of fun and hope to be back next year. Thanks to all who made it happen."

"The Seeds of Hope orphanage is an amazing cause"
